Beast 1333 - Parental Guidance lyrics

Verse 1:

If you're Lost out There
 In the world all Alone
 If you ain't got no Place
 For yourself to Call Home
 If you ain't got no Love
 Ain't got no one to Care for Ya
 I want you to know
 That the Beast is right here for Ya
 I been in them shoes
 I slept in the cold Gutter
 No spring Chicken
 Man I'm 30 years old Brother
 Been around the block Nonstop
 Come swap Lives with Me
 Brought a world of Pain
 Upon n***as that got Wise with Me
 When i was young i got Rowdy and Pissed Quick
 Slick talking sh** cuz my parents was Mad Strict
 My parents was Mad Broke
 My Family was Mad Poor
 Uncles coked up
 Smoking and sniffing and drank Coors
 Jersey City n***as
 Witty see Titties
 We City Gritty n***as
 Pity my committee lived sh**ty
 Not rich like Diddy n***as
 So i don't blame all these n***as that Flaunt cake
 They never had it Ever
 Now that they have it
 It Feels Great

Verse 2:

If you're Lost out there in the World
And you're Sad
If you ain't got the Guidance from Mom
Or your Dad
If you ain't got no Love
Ain't got no one to Care for Ya
I want you to know
That the Beast is right here for Ya
I been in them shoes
Ate nothing but Top Ramen
I learned that Suffering
Conducive to Hot Rhyiming
Nothing in this World's
An excuse to be held Back
I have never had
Cream in abundance to Green stack
I ain't never had a thing that I Wanted

Cuz Life Hard
Every night it was Rice
And fried chicken and White Lard
No birthday no nice Cards
No gifts and forget Cake
Biggest pleasure of the Day
Was a toilet to sh** Take
Was no pleasure in the Night
As i slept on them cold Floors
Ain't no hinges on the Frame
In the bathroom no Closed Doors
Was no Perk of any Kind
Little brother you got it sweet
I was freezing in the Winter Time
And Summer Swamped in Heat

Verse 3:

If you're lost out there in the World
And Lost Hope
If your parents Addicted to Coke, Meth or Dope
If you ain't got no Love
Ain't got no one to Care for Ya
I want you to Know
That the Beast is right here for Ya
I been in them shoes

Was days there was no Eating
The Super was Gone
The building had no Heating
And i don't say all these things
So you Feel Bad
I don't want your Pity
I don't want n***as to Feel Sad
The reason that i say these Things
Is so simple i want to Guide ya
In your mind plant a Seed
Intercede till it grows inside Ya
I don't care to be Famous
Or even Rich while I'm alive
As long as y'all persevere
Yo my message will still Survive
If you're lost out there
Theres a person that you can Turn to
Who you think i do this for?
Many songs different tracks to Learn to
(Gasp!)

I been in them Shoes
The world ain't nothing Nice
Im your brother Forever
Forever Dishing Advice
